### Weekly Departures

Our UK to Spain moving service has weekly departures to our warehouses in Marbella and Alicante. Our vehicles are fully insured and most have satellite tracking for added security. We are a fully registered, legal company offering a unique and personalised service. We can ship everything from general freight cargo furniture to cars, motorcycles, boats and caravans. We also offer a pet transportation service.

### Flexible Service

We offer a totally flexible moving product plus advice and support to help you settle in your new country. We have storage facilities in both the UK and Spain and provide a service based on our clients individual needs.

Please take a look around the site, we've recently made some major updates to provide as much information on moving to and from Spain as possible, including commonly asked questions on moving your pet(s) to Spain.

### Worldwide Service from Spain

Universal Removals have since September 2007 offered clients Full and part load removal services Worldwide to destinations such as USA, Canada, Australia, New Zealand and of course anywhere in Mainland Europe. We can offer you dedicated 40 foot and 20 foot containers as well as small shipments of 7 cubic meters for example. A 40 foot would be sufficient to ship A Car plus 30 cubic meters of furniture and personal effects.

### Questions?

If you have any questions please contact us, our advice and quotations are free and without obligation.
