Universal Removals

We provide a stress free and cost effective solution for transporting your house contents to your new home whether it be in Europe, the USA, Australia or anywhere in the World.

Worldwide Flexible Service

We offer a totally flexible moving product. We can offer you a variety of services to suit your requirements and or budget from Self Load 20 foot containers drop off and pick up 2 days later (the most cost effective method) to part load containers, partial packaging to full export wrap and pack. 40 Foot container combo Car and 30 cubic meters of personal effects.

Please discuss your requirements and or budget with us and we will make you a tailor made quotation depending on your needs. Plus we give advice and support to help you settle in your new country.

Europe Regular Departures

Our European moving service has weekly departures to and from most western European countries. Our vehicles are fully insured and most have satellite tracking for added security. We are a fully registered, legal company offering a unique and personalised service. We can ship everything from Personal effects, Furniture, general freight cargo furniture to cars, motorcycles, boats and caravans. We also offer a pet transportation service.

Please take a look around the site, we've recently made some major updates to provide as much information on moving and Relocation as possible you will find Customs regulations for most countries in the Moving to Customs Regs Pages

Questions?

If you have any questions please contact us, our advice and quotations are free and without obligation.
